

Alleulia! Christ is risen!

Easter greetings one and all. What wonderful celebrations we had on the day and I thank everyone involved. Beautiful flowers, tasty croissants, scrumptious Simnel Cake and refreshing Prosecco.

Lent and Holy Week proved reflective and thought provoking through prayer and discussions. Good Friday with the youngsters was profound, especially seeing Florence carrying the cross. It's easy to smile in the comfort of Colinton but it did make me think about all the children who suffer throughout our world. We are blessed indeed.

We now enjoy the season of Easter until the Day of Pentecost on June 9th. During this period, we will be participating in a world-wide ecumenical movement, 'Thy Kingdom Come'. There is more information following and I hope you are able to join us.

Wishing you all a blessed Easter.
